Would your group like a meal while on the Mars Hill College Campus attending a SART production this summer? Options include a lunch or dinner in our dining hall, a catered meal in a private dining room, or even a boxed meal to go. Your dining can be as casual as you like or can be more formal gourmet fare. Please call SART Box Office Manager Jake Lehrer (828-689-1239) to discuss the option SART can provide for your group.
